

FREE RANGE KIDS PARENT NEWSLETTER DECEMBER 2006.

Christmas is almost upon us and we are all frantically getting ready for this weeks Christmas party.

We have been opened just over 4 months now and we are making a few changes to help improve our service to you.

- We are now happy to offer swap days to you if there is a vacancy on that day in your child's room. Just please make sure you inform myself or your child's teacher prior to the swap.
- We are happy to offer casual care for families who are currently enrolled and not currently enrolled on the proviso that the extra day is paid for on the day of attendance.
- Extra days will only be granted to families who have their account up to date.

We hope that this flexibility will better suit your needs. We will also be employing a permanent bus driver this will enable flexibility of the bus run and enable us to go further afield with the courtesy bus, guidelines will still apply.

Just a reminder to parents that all fees will need to be up to date before your child starts in the new year. All fees are to be at one week ahead at all times the change of direct debit day from Monday to Thursday in the new year should help this.
