A big Free Range welcome to all the children for 2009 at the centre. The first week of school has come and gone so fast. The preschoolers from last year have ventured out into our schooling system and are now big preppies. We will miss them dearly and wish them of the best. As you may already be aware – a number of children have moved up into new classes. The Toddler room has welcomed children from the babies' room, Kindy has welcomed children from the Toddler room and Preschool has welcomed children from the Kindy room. This is a huge step for the children starting the new year in a new room with different friends, teachers and activities. It has certainly been a very exciting few weeks transitioning the children.

On a sad note – we have to say good-bye to our wonderful Mrs Sheather in the Kindy room. Mrs Sheather is moving interstate with her family and will be missed dearly by staff and children alike. We can not thank her enough for all the hard work she has put into the centre and the wonderful care she has given the children and parents. We hope your adventure is an exciting one and we wish you all the best.

With Mrs Sheather leaving we have had to replace her in the Kindy room and with this there has also been a few more staff changes that we would like to advise you of
